

Job description

Overview

Blue Gems ABA is a therapy group that provides individualized in home ABA therapy for children diagnosed with Autism Spectrum Disorder (ASD). Our highly experienced BCBAs and therapists work closely with each child and family in order to design a comprehensive treatment program.

At Blue Gems we believe that a strong work life balance will benefit therapist-client relationship and ensure high quality care.

We offer individualized employment opportunities ranging from full-time to part time contract opportunities. We are currently seeking BCBAs to join our team who are dedicated to improving the quality of life for children diagnosed with ASD.

Job Responsibilities:

Conduct intake evaluations including functional behavioral assessments and skills assessments

Use evaluation tools such as VB-MAPP, the Motivation Assessment Scale (MAS), and Vineland Adaptive Behavior Scales-III

Design positive behavioral treatment and skill acquisition plans with goals tailored to the individual

Supervise and train ABA technicians; implement, model and monitor progress of individualized behavior support and skill plans with ABA technicians

Train parents, caregivers and ABA technicians who implement plans with children and families on principles of Applied Behavior Analysis (ABA)

Graph data, adjust strategies as needed to ensure progress, and provide routine progress summaries

Job Requirements:

You must be a Board Certified Behavior Analyst (BCBA)

Experience working with individuals diagnosed with autism spectrum disorder and other developmental

disabilities

Conduct functional behavior assessments

Write behavioral positive behavior support plans

Vehicle required with travel between assignments, and valid driver's license.

Experience working with children, teens, and young adults with autism

Full-Time \$80,000.00 - \$125,000.00 Salary per year.

Part-Time \$100 Hourly.
